BERGESEN, Gail

On Thursday, October 10, 2019 Gail Anne Marie Bergesen passed away peacefully at the age of 53 years in Red Deer. She was born on November 21, 1965 in Lachine Quebec. Gail will be forever remembered by her husband and friend of 30 years, Stanley. Gail is survived by her daughter, Jaclyn (Keegan) and son, Bryson (Caitlyn), as well as by her grandson, Ethan. Gail loved her family.

Gail`s brother Randy (Carol) and sister Susan (Barry) will miss her dearly but will remember the strong- willed sister she was. Gail ruled the house at a very young age giving her older siblings a run for their money.

Gail was predeceased by her parents Alexander and Joan Dicks.

Gail was born on November 21, 1965 in Lachine Quebec. She was a small but tenacious woman who loved concerts and music which was always playing either in the car or at home. She enjoyed debating her point whether she was wrong or right and claimed that she could have been a lawyer. Traveling was a passion she loved especially to warm destinations as long as they were five star accommodations. She liked going to museums but on several occasions was asked to leave because of her need to get a closer look or to touch an object that didn`t look as it appeared. Gail had a love for animals' that drove her father crazy as she constantly would be bring home some stray dog or cat. She had a passion to collect

fridge magnets which were brought home and displayed on the back door. Gail enjoyed life her way and on her terms.

Gail fought the good fight with a will to live that was incredible. She truly had nine lives. Gail was a true friend, wife, mom and sister who will be missed but remembered forever. Gail was loved.

A private memorial will be held for Gail on her most loved event ``Halloween``.

Memorial donations can be made to the Red Deer Hospice Society at www.reddeerhospice.com
