I'm so sorry for your loss. I will always remember Auntie Joan's warm smile every time we met. She looked right into me. In a crowded room of relatives she just spilled out warmth. I will miss those smiles but cherish the memories. My heart felt sympathy to all her family and friends.

— **Heather Appleby**

My condolences to Joans family on her passing. May the memories you have ease the sadness at this difficult time. My memories of her dedication to Lionism remain and also our teacher gatherings with Joan and Bob.
