Messages of Condolence

Gordo your gonna be missed bro
You were always there when needed. A phone call away. Whether it was coming to surrey to help fix my truck. Or helping with the fence at my parents house. Snow jam in Vancouver. The airshow with my sister. Your talks with my kids and my mom whenever you came by. You were truly one of a kind. My heart is heavy bro. My condolences to your family. Rest in paradise bro. Till we meet again.

I'm sorry for everyone's loss. I only met Gordie a few times but I have heard countless stories. My brother and him were very close for many many years. May he rest easy.

Gordo you were the most amazing caring person. A heart of gold. The kids are all so upset over their uncle Gordo’s passing. You were always there for us. Helping install ac units, doing a quick dump run, anything. You are definitely a Mission Legend. I will miss your midnight McDonald’s runs for us lol. We love you Gordo…. Until we meet again
