I will miss my papa very much. He was one of a kind and my partner in crime! Life will never be the same without his off the wall sense of humor and his laugh!! It still hard to make this feel real that he's gone!

— Crystal

My condolences.

We spent a lot of time with my uncle Con when I was a young girl. I have fond memories of family holidays and vacations together.

He will be forever missed, never forgotten. May he rest in peace.

Love Sonja & Josh
