

# Wayne George Boylan

JUNE 11, 2016

It is with great sadness we announce the peaceful passing of Wayne George Boylan on June 11, 2016 at Abbotsford Regional Hospital in his 70th year.

Wayne was born in Toronto, son of George and Eleanor and was raised in a large family. Lovingly remembered by sons Chris Boylan (Anna), Ian Boylan (Cortney); daughters Sheila Bouthillier (Daniel), Laura Boylan (Brinton); adoring grandchildren; his companion of 16 years, Marlene Armstrong and his extended family. Wayne also leaves behind many close friends and colleagues who were like family to him. He was an active member of his Aldergrove community and the Aldergrove Legion, Kinsmen Club and Elks. As a funeral director of 24 years, Wayne was deeply committed to his profession and the families he served. He was known for his helpful and giving nature to anyone who needed it. Wayne enjoyed fishing, biking, reading photography, music and golf. He loved his annual trip to Mexico and the group of friends fondly referred to as his "Mexico" family. Above all he cherished his family and friends and enjoyed the time he spent with those he loved.

A Celebration of Wayne's Life will be held on Saturday, June 18, 2016 at 1:00pm at the Aldergrove Legion - 26607 Fraser Hwy., Aldergrove, BC. Donations may be made in Wayne's memory to a charity of your choice.

You are invited to leave a personal message of condolence for the family.

I've known Wayne for over 16 years. He was kindness to a fault, always willing to help others before he thought of himself. He was proud of his children and their accomplishments. Wayne was also a great cook and some of the meals at his home were four star worthy. He was a great story teller and music lover. I will miss sitting and sharing a whiskey with him while listening to some obscure piece of music he found on the internet. Rest in Peace Wayne. You will be missed.

— **Suzanne Jones**

So very sorry for your loss Marlene.

Deepest sympathy to you &Waynes family

— **Ruth & Chris Swartz**

It is with sincerity that we express our condolences to Marlene and the family. Allan and I were part of the "Royal Decameronites" that for years have linked up in Mexico....enjoyed the laughs and pleasantries with Wayne and Marlene. Wayne was usually snapping some pictures here and there, and sharing them with all of us on email....He was a sincere gentleman with his beliefs, and kindness abounded in his presence with friends. We will miss his cheerie contribution to the 'gang gettogethers' around the complex...please come back Marlene...the sunshine will make the fun memories easier to visit. We are so shocked and equally saddened. Respectfully submitted to those who loved him.

Allan and Linda Hickey

Many times Wayne and I sat down for a " Good Bullshit " about our favorite place , Mexico .

Since I started to know Wayne (8 years or so ) I have moved forward and built our Dream home on the Baja , in Todos Santos , Mexico

He was one of very few people that truly understood that feeling of standing on the beach , loving the Sea , the Culture , and the People.The Margaritas didn't hurt either.

I will miss Wayne , he was one of the Good Guys .

From Myself and all of the Staff at Stewart monumental Works, we send our thoughts at this sad time. Sincerely , Rob Poncelet

Our hearts go out to Marlene and family on the loss of Wayne. The pool in Mexico will not seem the same without Wayne and his words of wisdom, and no one will be able to match his passion and pride as he delivered the Remembrance Day memorial. Life is always so short, but it is what you do with the time you are here that makes you as a person and Wayne far exceeded the norm. Rest in peace my Mexican brother.

**— Al & Pat Chickoski**

Wayne was truly admired, respected and embraced. He will be missed by many people, and will be honoured on Remembrance Day, as he conducted the ceremony, at the Decameron in Bucerias. To quote him in 2015, "I'm always struck with a lump in my throat at the Legion ceremonies, when the service officer calls out the list of names of people who have passed on. The Sgt. At Arms calls out "They do not answer, sir!" Today, we call out the name, Gordon Logan, who left us since we met last year. He will be missed." Gordon was my husband, he passed in 2015. This year I will call out the name, Wayne Boylan. He will be missed!

**— Shirley Logan**

We knew Wayne professionally as he helped us through three difficult losses in three years. He was so kind and caring which helped us manage all there is to manage with the loss of loved ones. He was one of the few people that could make us laugh, which is what we needed at the time. Although we've never met the children or Marlene, we feel like we knew you all just a little through Wayne's stories. He was certainly in the right profession. We are forever grateful to have met him; the world has lost a real gentleman. I'm sure you all have very fond memories of Wayne which will help carry you through your time of grief. Our condolences to you all.

**— Arlene & Peter Thygesen**
