Messages of Condolence

Don, Rena, Holly and Jan and families,

So sorry to hear of Pat's passing. We both send our love and please know that you all are in our thoughts and prayers. It is such a difficult time, but may your memories help to ease the pain. We just lost my Mom (Betty) on Jan 3, 2012 so we understand.

I (Julie) remember the first time I met Pat in Bowden where you lived next door to my Great Aunt Greta Davidson. Pat was such a cheery lady with a twinkle in her eye. I could not believe the energy she had and how spotless her house was, as well as my aunt's as she did the cleaning for her. You could use the floors in both houses as mirrors! I also have fond memories of Pat in Hanna. She always took the time for a chat and wanted updates on what was happening with our family. She was a special lady!!!

Take care all of you!

Deepest sympathy and love,

Julie and Norm Roe
