Dear Keaton, Edna, Steve and Ted: I am so saddened to hear the loss of Helen. I'm comforted by knowing that we had a few giggles and a very nice visit last time I stopped by the house to see her. She was one very special lady, as you all know. My memory of her will last forever. Condolences to all of you, may you gain strength by all the positives you will carry and remember of Helen. Love, Lynne Grose, friend of Helen's since 1978.

I am so sorry to hear of Helen's passing. I've belonged to Desk and Derrick since 1982 where I met Helen. She was always a positive and happy person and her compassion touched many..Helen was always willing to help with any project or anyone that needed assistance. Remember those who touch our lives stay in our hearts forever.
