Messages of Condolence

My deepest condolences to Jurgen, your children their spouses and extended family. I was very sorry to hear about Adina's illness and her sudden passing. In our younger years we had many fun and enjoyable times together with Jurgen and his brother when their family would visit in Springside. Jurgen, I pray Gods comfort and peace be with you in this journey without your spouse.

My Deepest Sympathy to Adina's Family! I met Adina over 3 years ago as I work for Hospital Transfers and she was a Beautiful Caring woman. I enjoyed speaking to Adina when we would pick her up at Abbotsford Hospital to take her home from being at Dialysis. Adina Loved her Family as she would tell me all about her family every time I would pick her up !
