So sad to hear of Tal's passing. I would like to say his with Jesus now.

I met Tal through my friend Gary Wray who met Tal through CFAC TV . Gary helped Tal with DJ gigs for many years . Always enjoyed visits with Tal. It was pretty cool when I found out Tal and I went to Centre Street Church where he served as a camera man. Sorry to say that the last time I was with Tal was at Gary's funeral.

Have a blessed eternity my brother. You will be missed.

I have known Tal for more than 30 years. As a video producer, I met him when I rented out editing facilities at CFAC television. We gradually became close friends and would get together frequently, particularly during covid. We discussed all manner of subjects and had great laughs together. We formed a strong and deep bond and I will miss him terribly.

I was such a shock to hear of Tal's passing. I worked with Tal for the last 10 years. He would jokingly always say "how's it goin' old fella". He will be missed around Willco.

Our sincerest condolences to Tals' family on the passing of a very remarkable individual. Tal and my late husband Gary would meet regularly at "corporate headquarters" better known as the A&W across from Chinook Center. Their friendship and mutual respect began in the mid 60's and always remained strong. Over the years (decades) when an extra hand was needed Gary would assist Tal at one of his many DJ events.

Tal valued his connection to family and his friends - Scott, Ty, Joey, Don and many others.

Rest in peace my friend. You will be missed.

Just a wonderful guy, a true gentleman by its definition. We had many great chats to which he always brought the chuckle. Greatly missed already, travel well Tal.

Tal was a very close friend.

We met as colleagues at CFAC and remained friends for over 45 years.

He was a gentle soul who always shared a laugh with me.

I am so gratefully that I was able to talk with him the day he passed. Just one of many conversations we had throughout the years regardless of where we were.

As with all so sad with the sudden passing but blessed to have one last laugh with my good friend.

My condolences to all his family an friends.

Go with Buddha Tal.

— **Jack Longstaff**

My deepest sympathy to family and friends of Tal. He was a treasure to all who knew him.

We met in 2007, shortly after I moved to Calgary, and formed an enduring friendship over the years. He was a wonderful man and I was blessed to have him in my life.

I miss you very much, you will be in my heart forever.

Thanks for all the great memories and fun times together!

— **Joey Jenkinson**

Well your in heaven now with your sisters, grandma and grandpa, and my dad worshipping the Lord together. Enjoy your new adventure uncle.

— **Len Curle**

Tal was a pretty good guy and always smiling and asking how things were with you. He led a interesting life and he missed the interaction he had at CFAC. I met him after that and he was running his video/DJ company. We had many laughs each time we got together for lunch or dinner. It's been a while since we did that but the memories are still there. Happy trails Tal, you will be missed.

— **Garry Richardson**

Many nights together working the late shift at the old CFAC. I will always remember the good times. Sorry I missed sign off.

— **Paul Krysak**

Recently moved back to Calgary, and reached out to reconnect, so saddened to learn of Tal's passing. I met him through the ski club he was a joy to go to the movies with and enjoyed his conversations over a meal and a beer.

He will be sadly missed.
