Shirley will be sorely missed by all her family and friends! She was a very caring and loving person! We enjoyed the times we spent with her and Ernie and had a great time visiting them in Bowden 2 years ago! Rest In Peace Shirley! Fly with the angels!

Shirely took me under if wing when she met me in my early 20's, she was like a mother / aunt. We had many laughs, great talks and helped me through some ruff roads. I will always be so grateful to be treated like family for all those years. R.I.P Shirely, Heaven has gained another

Mom, I miss you so much, all the love and good times we shared will never be forgotten. You taught me how to be a mom, a friend, and a good wife. You were the absolute best role model I could have ever asked for. I was so lucky to have 50 years of your time and I will forever miss you. I know you're resting easy mom, save a spot up there for the rest of us. Love you now and always.
