"Hel-on-wheels, was an amazing White Hatter.I worked with her for 8 years and got to know her well. She kept everyone on the Sunday shift in line. She had a wonderful sense of humour and spoke about her family fondly. She will be sorely missed by all who knew her. With love and hugs, Debbie and Brian Stahl

I feel so fortunate to have had so many years with Nanny. She got to watch me grow up, graduate college, get married, have her two great grandsons and they in turn got to have her in their lives to watch them grow up too. We will all miss her so much, her giggle was contagious, her smile lit up a room and she never was afraid to have fun or speak her mind. She was "trouble". But the best kind! ☐

Bonnie and Family:

We were so shocked to learn about Helen. She truly was a remarkable lady who lived for her family. Her energy was unbelievable. Wow the stories on the scooters crossing the bridge into Inglewood with friends and so many more. Running in to her at the airport, how she loved that job and was a proud Calgarian and Canadian. What an amazing life you had Helen and we will miss you so much. The Woolleys

Helen was a neighbour to my husband and myself many years ago in our apartment building in Port Credit. My son was just a toddler at that time (1986? 1987?) She was a wonderful neighbour and friend. Through the years we exchanged Christmas cards and I always looked forward to hers because she shared everything she had been up to during the year. This year my Christmas card was returned, and I had no idea why until I decided to do a bit of a google search. Please accept my most sincere condolences. She was an amazing lady, and I will never forget her kindness and her keen wit! Goodbye my old friend. :(:(
