To Marg's Family,

Please accept my condolences in the loss of your Mom. Marg was a determined and independent woman. She did not suffer fools or slackers gladly.

And what a great smile Marg had - as shown in her obituary photo.

My parents - Edna and George Hunt - were long time friends of your parents. As I recall, George and Eric coached Little League baseball together - and then perhaps hoisted a beer or two at the Highlander.

In recent years, I used to have a phone visit with your Mom shortly before Christmas. She was always so proud to update me on how well her "children" were doing in life.

May you take some comfort in knowing that your Mom is now at peace.

Thinking of you,
Lee Hunt
