Messages of Condolence

As much as I can feel the loss of my Sister, my Deepest condolences to her Husband Jack.
As well as to my Brothers n Sister...
Your Sorrow is mine...
As my Love for you all

Light n Love

— Kevin Sayles

Your smile and positive energy is what I will remember most about you. You welcomed me into the family many years ago with love. Thank you for gracing my life with your presence. Heartfelt sympathy to Jack and her family and friends. I am sure you will be dancing in heaven. Rest in peace.
