Our hearts to you Sherry, and your family. We're gonna miss his encouragement and visits to our yard - he was always so sweet and would tell Sal what a great job he's doing and what a hard worker he is. Stay strong - he did a great job himself!

— Maggie Heintzman

I am so sorry to hear about Phills passing. My father Russ Siegel and my mother Joelle Brown would like to say they are saddened by the passing of a wonderful family member. I personally will not be at the funeral but I wish the family well and letting you know that we are here for you.

I will forever remember my cousin "Uncle" Phil with a smile on his face and his brown eyes twinkling. He always made me feel like a very special person, and he was certainly a very special person to me. His love for life, family and friends was contagious. I'm so sorry to Carol, Phil and Carol's children and the rest of the family for your loss. I send you all my love.
