Elouise, Sonya, Willie & families, also Ruby's sisters and brothers and families;
I was so saddened to hear that my cousin, Ruby, had been sick again and missed our visits on fb messenger with each other. She and I got closer after being at a few Reunions and did have so much fun with the whole Herrmann family over many years. There were so many of them to keep straight and we could never remember which one was which and they were the same with us Diebert girls. Slowly the time has begun when many of us are in the winter of our lives and many have already passed on ahead and that also saddens me, but I can still remember a lot of fun as well. Ruby will be missed at our upcoming family reunion and I will miss our messaging. She was proud of her children and think she might have moved out to Surrey had she recovered... I know Ruby was close with all her siblings but I think her sister, Alvina, will miss her most of all and the regular visits that Ruby and her enjoyed so much. My heart goes out to each and all her family and love to see all of you at the reunion and reminisce about Ruby and all the good times we had. She will be truly missed by all of us and anyone who knew her...
Rest Well, Ruby, you have earned it. Love, Debbie
