As well as special friend, Louise. He loved playing hockey, watching the Stampeders play football, the Flames play hockey and the Bluejays play ball. He enjoyed the times with friends and family, Tailgate parties, Camping, golfing with the boys and Bingo with the girls!! He valued manners and hard work, and wasn't shy to let you know that there was always room to pull your socks up!! His voice will always carry with us, his energy can be felt with the Sun, and the memories played back to us any time we hear the music, especially that of the Nitty Gritty Dirt Band. We love you, and we will miss you.

Hasta Man’ana Darcy.
