Dear Grace, We wish to extend our sincere sympathies to you and your family on Andy's passing.

I have often reflected on the many times that I worked with you and Andy at the detachment. I respected Andy and his easy going nature.

Sincerely,

The first day of moving our mom (Freda Henry) into Michener, the first person I met was Andrew, zipping down the hall in his scooter. I loved his positive attitude and enjoyed giving him a hug every time I was there. He was such a great character and I will certainly miss seeing him when I visit my mom. My deepest condolences to you all. He was a favourite with all my siblings.

My sincere condolences to you all. I only knew Andy from Michener Extendicare, where he lived down the hall from my mother. I fell in love with Andy the first day I met him. Such a lovely, gentle and funny man. He was always happy to receive a hug and I was so happy to give him one. I so enjoyed his spirit and the love of his family. He had great wit and always made me smile. I am a better person for having known him. My thoughts are with you. Heather Henry

I had the honour to meet Andrew just over one year ago. He was the first resident I met when my Mom arrived at Michener centre. I enjoyed chatting with him each week that I visited Mom.

His sense of humour and wit were wonderful.

Rest in peace Andrew ; I will remember you.
