Dear Roxanne (and family), it is with great sadness that I hear of your Mom's passing, and I would like to express my most sincere sympathy to you and your brothers for her loss. Cindy will remain in my heart as one of the nicest, genuine person I have had the pleasure of knowing. She was a treasure and her positive aura will be missed by all of us. I will always cherish my time working at Shell with your Mom; she may have been "petite" in stature, but she had a huge heart and presence at work. She made all our jobs so much easier. I am unable to attend the funeral service as I am currently in Creston, B.C., but I will be there with you in spirit. I will miss her dearly.

Cindy and Keith were a huge part of our lives. They are considered part of our family. Cindy loved her family and enjoyed entertaining. Her smile always lit up the room. We met Cindy and Keith when we first moved to Alberta and she welcomed us with open arms. We will miss our daily talks and texts and we know she is no longer in pain and with her true love Keith. We will miss you until we meet again. Always and forever Don and Joy Ziegler

My deepest sympathy. I had the pleasure of working with Cindy for many years at Shell. She had a way of getting things done always on time and always exactly how you needed it, even if you hadn't figured out how you needed it yet. She was usually one step ahead. We had some great laughs together and she always had great stories about the grandkids and many wonderful pictures of them that she shared. She was truly a wonderful person.

Dear Roxanne and Family, Our prayers and thoughts are with you all. We were lucky enough to visit with Keith & Cynthia in the summer of 2014. Had a great time with Keith during the visit with him. Took some photos before we left for a visit with Cynthia at the house. Enjoyed our time spent with your Mom. She was a special Lady. We offer our deepest sympathies to all.

My life was enriched by getting to know Cindy. We shared stories of our lives while driving in the car every morning for a year, as we drove to work. She talked about her children with great enthusiasm and love. She cherished her children and grandchildren. Cindy always had a smile on her face and was one of the most positive people I have every met. Ed and I are truly blessed to have had Cindy and Keith as our neighbors and friends. They will always be in our hearts. :)
