Messages of Condolence

Dear Tara, Chad, Jeff, Matthew and MacKenzie. Your Dad, your grandfather and our friend had a special way that warmed the hearts of all who knew him and his qualities, including his laugh, that made him the person he was, have left us all with many wonderful memories. May your own precious memories be a comfort to you now and in the days to come. A quote I like and want to share with you "Memories are treasures no one will steal, Death leaves a heartache no one can heal, No longer with us in life to share but in our hearts he will always be there". Our sincere and deepest sympathy.

Having just shared the relay for life walk with you, Tara, and your Dad, it all seems so unreal. He was so up beat and visiting with folks that he knew. I am glad that you and he were able to get to the relay and enjoy the experience. My sincere condolences.

I met Frank and Lois in the early 1970's in Yorkton, Saskatchewan. They were both very nice people, well liked and respected in that community. They are gone but not forgotten.

We were neighbors of Frank and Lois for years. They were always friendly and great neighbors. The last few years we saw Frank at Robins every evening for coffee. He will be greatly missed
