Dear Wes and Carol, Wanda and Dave, Anita and your families.

We think of you at this time of hard partings and send our sympathies.

I think of the memories that will forever be in my heart, of all the things wonderful that Auntie Gert has meant and been to me.

I truly believe that in all my years I have never heard her say a negative thing about anyone! She loved us with her huge heart and has been a true inspiration in what it is to be a truly GOOD person. Through our growing up years, Auntie Gert taught us how to make do with what we had and just wanted the best for us all the time. Her baking and hospitality was second to none. Yes, we did love her and will keep her memories alive in our hearts.

Also, I feel that her love and pride in her kids and grandkids has always been absolute! She loved you all with a tremendous passion and her beautiful eyes would absolutely sparkle and shine when speaking of any of you!

We will be thinking of you all in the days ahead take care.

Love Kurt & Frances
