Khyra has always cast the brightest light with the most joyous, enthusiastic and charismatic personality. For someone who was non verbal, she communicated better than most people I know. I will miss hearing all the stories of how you made your mom stay longer or how you got data on your phone. You were such an inspiration to us all and we will forever be blessed to have had any moment in time with you. I'm so honoured to have been in the room to experience the unconditional love in that room to send you off into heaven on that day, where you will no longer experience any pain. I know you will be the brightest light shining down on us. Rest In Peace and enjoy all that Heaven has to offer.

Forever in our hearts

— **Shari Lynn Stettner**

Unseen, unheard, but always near, still loved, still missed and always dear.

Terry & Family,

We were so privileged to have Khyra in the classroom. She will truly be missed in our room and in our hearts. I will always remember her mischievous smile and giggles, as well as, her determination and prowess. Her humour will also be something that will leave a hole in our hearts. She definitely always enjoyed our jokes or pretended like she did to boost our egos!

We are sending you all the positive healing and comforting thoughts during this difficult time. We were so lucky to have had the chance to teach and learn from Khyra. We are so grateful to have been supported by such a great family too.

Rest peacefully Khyra. You are truly missed.
