Hugs to you and your family. Donnie was a very special friend to me and Tony. Maybe they are having a nice visit up there. Let me know if I can be of any help to you.

It is with deepest sympathy for the family of hearing the passing of Donny Burk. My brother Melvin Gazloff and Myself Lily Coughlin knew Donny for a very long time in his life. And it is with great heartfelt regret that we were not able to be with Donny in his passing. Our hearts are with Donny and his family, you see he was a great and wonderful person while we knew him through the years. Donny Burk we talk about and think about you as though you are still among us in spirit of course. A wonderful person as yourself will never die from our hearts. We will always remember you as a loving and caring person. Love always Melvin Gazloff and Lily Coughlin.
