

Roger William Burr

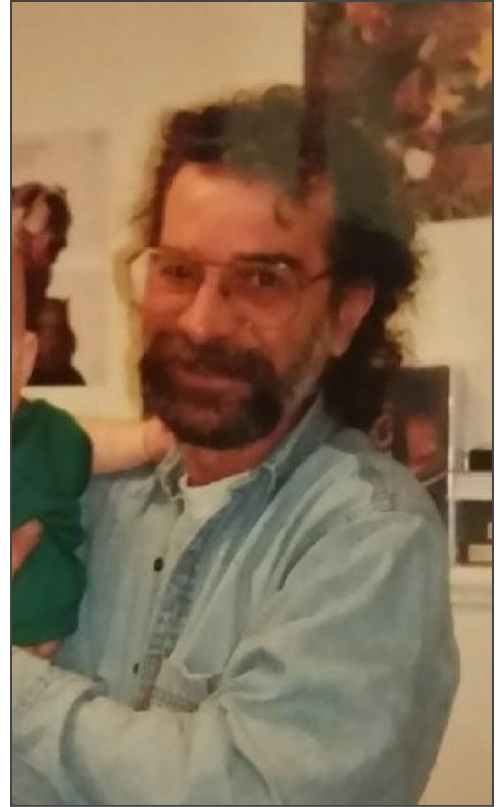

JUNE 28, 2021

December 9th, 1947 - June 28th, 2021

Roger passed away at his home in Abbotsford B.C. the morning of June 28th, 2021; he was 73 years old. In his younger years Roger worked in Sheet Metal for many years, and was always tinkering making different things out of metal. His father Donald Burr started him off as an apprentice in sheet metal work and he carried that on for many years till his retirement. Roger wasn't really a hobbyist or a sports guy,

because he was always too busy with his metal working. Roger was always a man of few words and kept to himself, except for family.

Roger is survived by his children Billy(Julie), Tennille Burr, Jaron Burr, sisters Karen(Tim)Schobert, Pearl MacMillan, Bonnie Sloggett, Denise Dunlop, Maria Dunlop, and a brother Bradley Dunlop (Irene). He was predeceased by his father Donald, his Mother Mary, and his sister Colleen. He is also leaving behind grandchildren Jordan, Tyson, Riley, Alexis and Dominic, nieces and nephews. We would also like to give a big and grateful Thank-You to Diane and staff at the Highwayman in Abbotsford for always treating Roger {lil Roger} like family for many, many, years, gratitude and appreciation has no words. A celebration of Life will be determined at a later date.

Messages of Condolence

Sending much love and heartfelt condolences to my little one Tennille your incredible beautiful daughter that I have known for half of my life and who spoke of her dad so fondly.

— **Stacey**
