Lucille was a wonderful woman. Virginia, Brandy and Mary always loved to visit with her. My Mom and Step Dad (Norma and Bill Firth) also send their condolences. They said they always enjoyed visiting with her and Walter. They were happy they had talked with Lucille at Brandy's wedding prior to her health and memory deteriorating.

It is always sad to loose a lovely person like Lucille but her memory will live on with all of us.

I wish I could attend her memorial and hug all of you but the distance is just to great this time of year.

All the best to all of you as you go through this time of loss and grieving.

Our thoughts are with you Lois and all of your family at this sad time. Losing a parent, no matter what age we are, always seems to be difficult. Hold on to the wonderful memories you made with your mom.
