It saddens my heart to say goodbye to Jason. He was an amazing man, and wonderful friend. Everywhere he went, everyone he talked to, and everything he did was with a huge smile on his face, and emense energy. I am proud to have called him my friend. I would like to send my condolence to his daughters, and family.

To my Northern Roots,
Jason-
May you rest in peace and kick some ass doing whatever made you feel alive while with us, here, on earth. I wish I had the honor of knowing you better, but I do remember your infectious smile!
