Messages of Condolence

Our Thoughts and Prayers are with you. Love to you all from down east.

— Ron & Winnie

Godspeed, Fred!

Thank you for everything you did for us, teaching Dan how to polish his boots, and how to do drill correctly for Cadets. He still teaches your lessons to new Air Cadets.

We'll look out for Donna, don't you worry.

Love ya!

— Wendie, Paul and Daniel Krysak

It's times like this that we realize what our family means to us. Life goes by so quickly. Even though we were miles apart you and Fred were never far from my thoughts. My sympathies are with you and the kids at this sad time. I know words are never enough to fill the hole thats been left. Hang on to the good memories and keep your love ones close. Call me or email if you need anything. Your sister-in-law Fran.

— Francine (fran) Capson

May the time Fred spent on earth, be remembered with fondness, love and laughter. Remember the good times. It will not bring him back, but it will make emptiness his death left behind a little less painful.
