CARLSON, Gustave Harold

July 1, 1942 – June 17, 2022

Harold was born in Trochu, Alberta in 1942 and grew up on the farm with a large and loving Christian family.

Although he left the farm and spent most of his career in the trucking and oilfield industry, he never lost his love of farm life. Throughout the years, whenever he was able, he spent time on a combine. Harold and Blossom moved to Calgary in 1969 to start life together. Harold loved the Lord and spending time as a family camping and quading. Many great memories were made around the campfire.

Harold lost Blossom, his love of 54 years in May, and now leaves us to join her in Gods loving arms.

Harold was a loving husband, dad, grandpa, great-grandpa, brother and friend who we will dearly miss.
