Hi Doreen, We were at Dave's Celebration of Life today at the Moose Hall. It was a sad day but a good day. Sad because we miss you guys and good because I got to see how much your Family and friends loved you guys. They had a presentation of pictures of your Family and Friends and I finally had a good cry. You probably knew all that already, we felt your presence all day. You guys are together again and with all the family members that passed before us. Say Hi to everyone and Rest in Peace.

Until we meet again I love you guys.

All my Love Dale
