## Messages of Condolence

So sorry to hear of your families loss. Death is never easy to deal with and even more so at this time of year. My prayer for your family as you journey through this time is for the peace of God to reign in your hearts. I very much appreciated having the opportunity to work with Robin. He was dedicated, pleasant, and caring. There was nothing he was unwilling to help with and it was refreshing to have him around. We have lost a friend and colleague. On behalf of my wife and family, and all of us at TANAS Concrete, we offer our sincerest condolences. He is missed.
