Mae Anne Cater

OCTOBER 21, 2014

Mae was taken from us too young, at age 77. She had cancer. She left behind many family and friends, and she will be sorely missed. She loved nature, flowers and animals. She had a special fondness for wolves and cats. She worked hard all her life-even in retirement she as tireless, forever doing things around the house. She made friends everywhere she went, even in the hospice. She had an open and generous nature that attracted people to her. She will live on forever in our hearts and memories.

All our love, Mom, rest in peace.
