The sadness and grief of today will eventually fade only to be replaced by good memories from the past. We go back a long way from our Wilcox days. My sincere condolences.

Dear Glee and family. We are so very sorry to hear that Norm passed away. We were in China for 2 weeks and just returned home on the 18th of April. We were very upset when Norm read the newspapers he missed while gone, online, and saw the obituary. You have our love and hugs. We will always have fond memories of having you both for such wonderful neighbors and the many good visits with you. Our prayers are with you.

Norm & Irene
