

Richard Chan

SEPTEMBER 22, 2022

We regretfully announce the passing of my father, Richard CHAN, who passed away surrounded by his loved ones on September 22nd, 2022. Richard had a long battle with cancer and is finally at rest. He will be forever loved and forever remembered. No services will take place, as Richard requested, but we do appreciate your love and support during this difficult time.

Messages of Condolence

My deepest condolences to the Chan family. Richard's energetic and optimistic view towards lives will always be remembered in all his friends heart.

Richard has been a loyal member of our badminton team. Whenever he had time, he showed up with a suit case that holds badminton gears. He was also a loving husband who always put his wife well being as priority. I am so blessed to know him but sad to lose him. RIP brother Rick.

Dear Sylvia,

Please accept our condolences to the passing of your father!

Richard was our great friend of many years both in the circle of his loved sport of badminton as well as in group dining out.

Richard and I had a lot in common. Both of us rose from humble background through sheer hard work and determination to succeed. We both studied in HK Technical College. We both received trainings from large German firms. We both worked for large companies. At our old age we both played badminton.

Coincidence? Perhaps! But I would like to call it an opportunity for me to associate with a special person. I was honoured to have met him.

Richard had a sense of justice, not scared of speaking his mind. Opinionated but spoke with knowledge and neutrality.

His dedication to his family was unprecedented especially to his semi handicapped wife whom I call [] taking her to travel round the world going for walk on the West Dike, getting take out lunch and dinner. What a guy! We will all miss him!

May him rest in peace!
