

Gordon Ming Chin

JULY 4, 2022

Gordon Chin, age 63, was surrounded by his wife and children when he passed away on July 4, 2022. Gord was born in the small Saskatchewan town of Eatonia to Jack and Susan Chin and lived there until moving to Saskatoon, Saskatchewan to attend medical school. He graduated June 1984 and two weeks later married Wendy Lau. They moved to

Regina, Saskatchewan where they raised their three children. Gord practiced family medicine for 38 years, in which time he faithfully cared for patients with gentleness and compassion. The heart he had for his patients was his biggest hesitation as he considered retirement amidst his own health issues.

His complex health took him on ups and downs, particularly over the past 5 years. However, by God's grace he spent his last years continuing what he loved to do – being with family, worshipping and serving with his local church, golfing, and converting people to 'low-carb'.

He will be deeply missed by his wife Wendy; children Chelsea, Matthew, and Breanna; brother Joe (Lily) and children Garrett and Sheldon; sister Lily (Frank) and children Jeremy, Amanda, and Justin; and brother Ivan (Judy) and children Ethan, Cianna, and Amiya. They are celebrating his perfect health now that he is with the Lord.

Memorial Service will be held on Tuesday, July 12, 2022 at 1:00 p.m. in Hillsdale Baptist Church, 101 Munroe Place, Regina, Saskatchewan S4S 3E7. In lieu of flowers, donations may be made to Hillsdale Baptist Church Legacy Fund in

honour of Gord.

My condolences to Dr. Chin's family and friends. Dr. Chin was my family Dr for over 30 years. He was the best. He listened, always helped out, while ensuring I was were comfortable and I understood the diagnosis. I recently shared with him the fact that my 2nd eldest daughter was named Chelsea after he shared with me the name of his daughter and the spelling of her name. I reminded him that he delivered her, and she was 29 years old. He chuckled and said he didn't know that and thanked me for sharing with him. And then he reminded me that I need to cut the carbs. :) May you rest in peace Dr. Chin.

I cannot believe when I learned about this. Last time we talked was probably 30 years ago.

Memories are still fresh.

We met and ran into each other even before we were classmates. We both applied for medical school and we both waiting for results when we introduced each other in the university. That was 43 years ago. We had so much fun the following years. We missed you at the reunion in 2019.

My deep condolences to your family, particularly to Wendy, children; and Joe (brother).

May you Rest In Peace.

Wendy and Family. We are so sorry for your loss. We were saddened by the news that Gord had passed away. We last saw him in April when we had our annual physicals. I (Mel) met Gord in 1984 when he moved to Regina to start his medical practice. He & Wendy had purchased a house and the Realtor that sold the house referred them to me as I was a Broker at Campbell & Haliburton Insurance and I in turn sold them home insurance. After our meeting was done, I asked him if he was accepting new patients as my Family Dr. had just moved and he said "definitely". He has been my Dr. since then and a few years ago he agreed to be my wife's Dr. even though he wasn't taking on any new patients. We will miss his friendly smile and conversations which took place either in his office or in my office. Rest in Peace Gord - you are now free from pain.

— **Mel & Terry Sebastian**

My deepest condolences to your family. Gord had been my family doctor for the last 22 years. He was a Dr. like no other. He will be deeply missed.

— **Tracy Stellek**

My sincere condolences to Dr Chins family. Thank you for all you have done for myself and my family, you were an incredible doctor and will be missed dearly. RIP Dr Chin.

— **Connie La Ronge**

Dr. Chin was our GP since 1989 and over the years we had developed a great understanding of our doctor/patient relationship that is irreplaceable. My wife likes to say that she went low carb long before Gordon started recommending that regime, but we both have been following his advice on this as best we can. We will miss him.

We are so sorry to hear of Gordon's passing. He was a great Doctor but more, a friend. He was always smiling. Rest In peace.

— **Eric & Trina Hodel**

We had known Gordon Chin for over 30 some years both as a friend and as a patient. One thing that stands out was his humbleness whether he is in the role of a doctor, a Christian or a friend. He was always sincere and full of honesty at all times. His strongest trait was his over whelming empathy that served him very well as a doctor and as a friend. He can radiate sun shine on those who needed some spiritual up lifting. We will miss you very much. Hugs to Wendy, Chelsea, Matthew and Breanna.

— **Ray and Brenda Ing**

It was 35 years ago when I first heard of Dr. Gordon Chin, who served as an elder in the church that received many foreign students from Hong Kong to study in Regina. I became a believer and joined the church where I built the foundation of my faith. I went back to Hong Kong after graduation and, after 35 years, I sent my daughter to study in Edmonton and it happened to be the same school that his younger brother Ivan's children attend. We met because Ivan and Judy volunteer to give my daughter a ride to school. Now my daughter also attends the church of Ivan's family. This is so amazing as Ivan was led by his brother Gordon to Christ many years ago. As the bible said, "And we know that in all things God works for the good of those who love him, who have been called according to his purpose." As for Brother Gordon, I believe the toil of the earth has ceased, he has fought the good fight and finished the race and there is in store for him the crown of righteousness in heaven.

It is with great sadness to hear of the passing of Gordon. He was such a gentle, genuine loving father, husband, friend, and man of faith. He will be sadly missed. Gordon touched our lives and left fond memories. Our sincere condolences to Wendy, Chelsea, Matthew and Breanna as they grieve the loss. What a blessing to know he is with the Lord now and is no longer in pain or suffering but resting in the arms of Jesus. A spiritual journey does not end with death, but a passing through a door that opens to new life.

— Tom & Polly Chin

Dear Ivan, Judy, Ethan, Cianna, and Amiya,

Dear Wendy, Chelsea, Matthew & Brianna,

May our Heavenly Father impart to you His peace and strength as you gather today to honour the memory of your beloved husband and father, Gordon. We wish we could be there to embrace you, but we know that the Lord Jesus is doing just that. The Lord feels and knows your pain, as well as your deep sorrow in this time of loss and grieving that loss, because Gordon is so loved by you. The bond of love will never be severed. The physical separation is only temporary, for as we all know, there will be a joyful reunion one day in the literal Presence of the Lord at that banqueting table in Heaven.

Till then, Rest In Peace, our dear brother and friend Gordon.

Your friends in Christ,

Chong & Maylane ☐

Although we had not been in touch for many years, I have many memories of Gord from our school days together in Eatonia and then the times we visited together when we both lived in Saskatoon. My sincerest condolences to the family. Dr Chin was my Dr for well over 30 years, he took on my children and grandchildren as well. A wonderful, caring human and physician. He will truly be missed.

— **Sandy Holfeld**

Gord was my youth leader. I didn't realize the profound impact he had on my faith until years later. he had sowed the seed with Jesus-like kindness, gentleness and joy. he taught me, a 15 year-old immigrant, guitar, Jesus and of course golf. The Lord gave me a chance to reconnect with Gord 20 some years later, and he showed the same gentleness, love and joy towards life, faith and me. While I am sadden by his passing, I take comfort in the fact that he has touched so many people and the love of Jesus will live on through his work and his family. Gord you will be in my heart.

— **Jack**

Gord's singing from teen group rings loudly in my soul.

— **Amos Akindiji Akinbiyi**

It's early 2024 and I just read of "Gordie's" passing. I'm so sad to read about it. Gord and I were best friends in Eatonia and we lived together in Saskatoon when we were going to school. He was such a kind man and I respected him so much. He and Wendy visited my wife and I shortly after we were married in 1988 maybe. Gord's dad Jack gave me my first job when I was 15 I believe. I delivered groceries for him in Eatonia pulling a little red wagon before I got to drive his station wagon. My sincere condolences to Wendy and family, Joe and family, Ivan and family and Lilly and family.

I'm so sorry I never kept in touch with you Gord!

— **Kevin Assmus**

Dr Chin was our family Doctor for many years....one couldn't find a more compassionate, understanding, humble, professional and sincere person and Doctor.
