## Messages of Condolence

It is with heavy heart to have to say that I lost the most caring strong giving man of my life. No one could compare to him in my eyes. The pain I feel is real but the pain he felt is now gone. He touched many in his life and most will remember his beautiful smile and the twinkle in his eyes and his big heart. I know in my heart that he is now happy and in the arms of the others that he has lost in his life. Now it is time to for my brother David and sister Cindy to watch over him and show him the way. I will always love you. May you watch over us with love. May you now be at peace. I will always love you Dad.qmzx
