Our condolences and prayers go out to the Clarkson Family. Cam was a great friend that always brought happiness wherever he went. We met Cam & Betty while on our first Sower Project in Phoenix in 2004. They have been some of our best friends ever since. We always looked forward to serving the Lord with them on projects .

To our friend Betty and her family, we are very saddened to hear of Cam's passing. A friend from our early Scouting days and travels south in our retirement years, with many adventures along the way, Cam will be missed. The memorial service touched us both and the slide show brought back many memories.
We know that Cam is now in the loving presence of our Lord.
May the Lord walk with you and comfort you at this time of sorrow.
Your friends in Christ.

I am so thankful for the times of fellowship I enjoyed with Cam and Betty while they at the Stillwood Camp near Chilliwack where they helped in the Fall cleanup of leaves and other debris that comes in the forested area of Stillwood Camp. It is so comforting to know that Cam is with the Lord, and we will spend Eternity with him. It also is good to know that the Lord will be with Betty as she grieves the loss of her husband as we hold her up in prayer.

Our condolences to you, Betty and your family and Cam's friends. Having just learned of Cam's passing this evening, we are greatly saddened and at a loss without Cam and his family, Lynn, Bert and his Mom and Dad, his ever " can I help you with that". In my youth in association with Cam and our many youthful friends BillCouling, Wayne McGimpsey, Wayne Everette, Jim Jaddock and rest of our Rover Scout Crew, we will miss Cam in his 1963 Blue Ford. God bless you for the sharing and support you offered others Cam and the humanity that you have shown to make the world a better place. Our sincere condolences for your loss, Betty. I will miss him. 03 September 2026.
