

Glen David Clements

JULY 10, 2020

It is with great sadness that we announce the passing of Glen David Clements of Lumsden Beach, Saskatchewan at the age of 70 years. He was born to Harold and Joan Clements on April 6, 1950 in Regina, Saskatchewan and was blessed with a loving family of six siblings. Glen schooled at St. Pius X and Campion College. In 1973, Glen obtained a diploma in Renewable Resources from SIAAS in Saskatoon, Saskatchewan and set out to fulfill a lifelong love of working outdoors to conserve our fish and wildlife resources.

On October 27, 1973, Glen married the love of his life, Colleen Beresh. Together they began their journey following work opportunities throughout Manitoba and Alberta where they met so many lifelong friends. Glen specialized in the field of fisheries and his family can contest that his passion always shone brightest after a day in the field.

His dream was always to retire to the lake cabin at Lumsden Beach. Here, Colleen and Glen discovered the happiness of lake life for 15 years surrounded by dear family and friends, and enjoyed skiing, fishing, golf and solar power. Colleen and Glen loved their time in retirement, traveling around the world and also cherished a winter home in Yuma, Arizona for many years.

Glen was fun-loving, immersed in the outdoors and his positive outlook on life was inspiring. Glen is survived by his wife Colleen; children Angela (Mike Safranka), Rhonda, Nathan (Crystal); as well as his grandchildren Seth, Ardyn, Axel, Avery,

Aven, Fisher and Salix. He is also survived by his siblings Alma (Frank) Bryski, Stan (Kathleen) Clements, Ken Clements, Louise (Jerry) Hooker, Roy Clements, and Colleen Koroluk; sisters-in-law Cathy (Tim) Dew and Theresa Beresh; Aunt Louise Bouchard and Uncle Marc Falardeau; further survived by numerous nieces and nephews, cousins and precious friends.

In lieu of flowers, donations may be made to the Lumsden Beach Development Fund (lumsdenbeach@sasktel.net) where the funds will be directed toward a legacy project of the family's choice. Over the past several months, Glen also expressed his wishes to support the Wheels of Hope Volunteer Driver Program (https://support.cancer.ca/site/TR/Events/GEN_ON?px=13448715&pg=personal&fr_id=20868).

My deepest condolences to Glen's family, I was saddened to learn of his passing. I fondly remember his engaging personality at the fisheries meetings and the time afield we shared. Glen taught me how to pan correctly for the placer gold found in the McLeod River and remember us sitting on the banks of that river laughing over the few grains of gold, garnets and small rubies we found. Those memories will be with me always. Rest in Peace.

Colleen, Ang, Nathan, Rhonda.... I am at a loss for words. For over a decade, Glen was a father to me, and you all, my family. He taught me so many things, from not getting mad on the golf course, to swinging a hammer. He will always be a great man in my heart, and will never forget him. He lives on with each of us in very special ways, someone who left a precious mark on each person he knew, with a smile.

Rest in peace, Glen

— **Guillaume Laroche**

Family and friends -
In the days and weeks that follow
Perhaps you'll often find
That even long-lost memories
Will slip into your mind,
And suddenly your loved one
Won't seem so far from you...
You'll think of touching stories,
The things you used to do,
And favorite family moments
In which you both took part --
These souvenirs of happy times
Will keep you close at heart.

A loss shared by so many.
With deepest sympathy.
Rest easy Glen!

— **Leona Dent**

Deepest condolences from all the Johnson family we all lost something with glens passing ... fond memories!

— **Bill Johnson**

Glen is a major part of what makes Lumsden Beach such a special place. He was always generous with his brain and brawn. His default attitude was a happy, positive, can-do - he was quietly magical somehow - no matter how brief your encounter with him was, you always felt a little better and thought: "Now there's a truly wonderful guy."

— **The-Fenwicks**

We are so sorry to learn of your loss. Glen was an important part of our community, always so cheerful and willing to help. I hope all of these heartfelt messages will be some comfort for you.

Life will not be the same without Glen in it. We cherish all the memories of the teenage years, of the kids growing up, and all the wonderful trips we had together. Extra special were the last few times we were together before his passing. We send our condolences to the entire family. Love to all.

— **Debbie and Brian Flood**

My deepest condolences to the entire Clements family. Glen was a great mentor to me and had a positive influence on my career. I will be forever grateful to him for giving me the opportunity to establish my career. Rest in peace, my friend and mentor. You will be missed by many.
