Messages of Condolence

"Those we love don't go away, they walk beside us everyday."
Auntie Rose was a special kind of lady. Always looking on the bright side of things and calling it as she saw it. She always thought of me whenever someone would give her copious amounts of wool that she didn't know what to do with. I'd get a call to come for tea and take what I could use. So many fibre art projects completed because of her generosity. She will be truly missed and forever remembered.
My deepest condolences to Susan, Art and Stan. RIP Auntie.
