## Messages of Condolence

It was my privilege to have worked with Norm at Burnaby Overhaul as a bodyman in the 80's. I'll always remember him as being a true gentleman who lived life the way it should. To the fullest! Derrick Young

We offer you Marg and your family our condolences at this time of Norm's passing away. Bob & I have known you both for many years and Norm was always happy and smiling. We enjoyed his entertainment during the parties. We pray God's Love and Peace will be with you in the days to come.

Dear Marjorie and family,

We extended our most sincere condolences to you in the loss of a most wonderful man

Sandy remembers all the good times at the pool. And if Sandy did not show up, Norm came looking for him, always with a bottle of white wine.

We remember how kind Norm was to drive us to the airport.....early in the morning. We remember sitting out on the deck having a glass of Sandy's Homemade blackberry wine, and how much Marjorie loved it...Norm called it her medicine.

Take care Dear Ones. We have all been blessed to have known such an interesting man.

Sandy and Connie Hunchak

Hi, I know Norman's passing was some while ago however I wanted to reach out and give my sympathy. I was searching for Norman and Marjorie as I am related to them and lost in touch when my grandad died years ago. He used to come over to Canada each year. Would love to her from you. Take care Paula
