Colette "Red" Rodrigue

JULY 23, 2026

In Loving Memory of Colette Marie Rodrigue

(Affectionately known as "Red")

Sunrise 23 May 1961

Sunset 23 July 2026

Red is survived by her partner of thirty years, Renee; Red's step-children, Daniel (June) and Julie; Granddaughter, and Great-Grandson; Brothers, Mark (Jenny), Bushy (Cheryel), and Mike, and Sister, Marilyn (Stan); and many nieces, nephews, great-nieces, and great-nephews.

Red graduated in 1979 and moved to Alberta, returning to BC in 1981. Red worked in insulation from about 1983 to 1987 in Kamloops. In 1988 she moved to New Westminster, where she worked in a Styrofoam factory until about 1996.

Red went to work for the Vancouver School Board as a power engineer in about 1999, where she absolutely thrived in her position. So much so, that she had difficulty putting in her retirement papers.

She will be fondly remembered by those who loved and knew her.

Messages of Condolence

Red shared her gift of humour with many who crossed her social path. May she rest in peace .

— Jennifer
