I did not know Cam, but I am from Billings and was following this story very closely. He sounded like a very fun loving guy who was loved by many. This is such a terrible tragedy and my heart breaks for his family. Prayers to all of you .

— **Deborah P Jensen**

My heart goes out to all of you during this time. I'm honored to have worked with Cam for the time I did. He was such a sweet man. May God wrap his arms around you all and give you all the strength you need to make it through these difficult times. Know your Utah Friends Love you all.. RIP IN PEACE CAM...

— **Kim Smuin**

I am so sad to hear of Cam's passing. I knew him many years ago as one of my son's friends in High School, and as a member of several soccer teams that I co-coached. He was willing, capable, and well-respected by his team-mates. In 1996, his goalkeeping efforts won the Airdrie Aztecs a Provincial Gold Medal and a Calgary City Cup. But it is the memory of his cheery and friendly personality that stays with me. Cam was a really nice guy. With my sincerest sympathies.

— **Nick Roe**

I did not know Cam. I followed the story very closely. My son went missing two years ago and the Calgary police found him four months later. I know what you went through and what you are going through. There is nothing I can say to comfort you but know I understand and I will continue to pray for you, your family and for Cam. Take care and God bless.

— **Sandra Kimmel**

I am truly sorry to hear about Cam. Although it is over 20 years ago, I remember him well from playing on our soccer team. His positive outlook was always appreciated. It was a pleasure to have him on the team.

My thoughts are with you.

Ernst Tanner

— **Ernst Tanner**

Our sincerest condolences are sent to my cousin Glen, Marion, Julia and Gary on the loss of their loved son and brother Cameron from Shirley Mireault(nee Collin), daughter and son-in-law Jacinda and Anthony Knowles and 3 children in Nassau, Bahamas. We are thinking of you as you say goodbye for now to Cameron. We wish we could be there for you as you were for us at my mother's homegoing memorial service in May of this year. Rest assured he is safely in God's hands. We will continue to pray for peace and healing for you at this difficult time.

— **SHIRLEY MIREAULT**

Family of Cam Collin:

Your tears speak of the love that you shared with Cam. Cry them freely, for they are a testimony of what he meant to you. May you know that others who care, are crying with you and holding you close in our thoughts.

Marion, you will remember me as your school classmate in Stettler. Listening to the webcast shows me that the morals, inner warmth and spunk you had all those years ago, were passed on to your beloved son. Please consider this a very loving (((hug))) of support.

Classmate of '72. Donna (Taylor) Burgart
