

# Robert Joseph Cook

OCTOBER 19, 2022

Robert Joseph Cook, born April 30, 1969, lost his battle with ALS Lou Gehrig's disease on October 19, 2022 at the age of 53 years.

He was predeceased by his parents Edward and Carol (Clair) Cook, his brother Don Cook and nephew Zach Cook.

Robert is survived by his only child Tyler Cook; his brother Jim Cook; his sisters Kelly, Anne, Colleen and Judy; his beloved cats Ash and Nero; as well as many nieces, nephews and countless friends.

Robbie was a very talented artist and shared his love of heavy metal music with his son.

Robbie would have told anyone that his greatest achievement and joy in life was his son Tyler. Robbie loved being a dad, Tyler's dad, and would have done anything for him and for the people he loved and cared about.

Enjoy your journey through the cosmos. Robbie; you will be sadly missed, never forgotten, and always in our heart.

Donations in Robert's memory may be made to the ALS Society of Canada ([www.als.ca](http://www.als.ca)).

Went to school with Rob. He was such a great guy. These last few years he was incredibly brave and fought fiercely in his battle with ALS, and I believe his boundless love for his son, the love for his family, his 2 fur babies, and strong spirit was behind his endurance of this terrible disease. He inspired us all on Facebook during his battle, showing that living to the fullest everyday no matter the cards your dealt, is so important. God speed Rob
