Richard, Karen and Family, While the loss of a loved one is never easy, even when anticipated, it is most certainly the hardest when they are taken from us too soon. Your recent loss of your son who has left us at such a youthful age is definitely in the category of those hard losses for which there is so painful a reminder of what might have been. We offer our sincere condolence and deepest sympathy on your loss. May the outpouring of sympathy, the kind acts of friends and strangers and the comfort in knowing that your loss is felt by many, help you through this difficult time. I ask for God's blessings on you and your wonderful family.

Thinking of you all,

Sandy Jones

I am heartbroken that you are gone. Gone too soon and too young.

This is my nightmare come true and still in shock you are gone.

As I sit here remembering you as a loving, generous and big hearted son I cry...I will see you again baby boy...RIP

— **Karen corley**

I am so, so sorry for you Richard and Karen, Vanessa and Jerrika.

My nephew, my lovely boy, turned into a loving, compassionate, kind, loyal man.

Devin, there will be no goodbyes for us. Wherever you are, you will always be in my heart. Grief is the price I willing pay for loving you.

Death leaves a heartache no one can heal, love leaves a memory no one can steal.

— **Vicki Williams**
