Carol Anne Jane Coveduck

COVEDUCK, Carol Anne Jane

May 10, 1941 – April 21, 2022

On Thursday, April 21, 2022, Carol passed away peacefully after a long fight with cancer.

She is lovingly remembered by her sons, Lawrence “Billy” (Ann Marie) Wilson and Harold (Sabrina) Wilson; daughter, Diane Wilson; sisters, Gail (Eddie) Butte and Linda (Bob) McKee; brother, Bill (Melvie) Coveduck; and many grandchildren and great-grandchildren.

Carol was always there to help everyone and would always stop to talk to everyone on the street with her greeting of “Hello, my love!” Selfless and caring, she always made sure to put a smile on everyone's face. We will always remember her stories and fondness for being out and about. Her love for her favourite show “Coronation Street” will remain unmatched.

Messages of Condolence

I will always remember Carol for helping me find the beauty to be found all around us... from the height and views from Palm Canyon to the quartz rocks on the ground. You always wanted to come visit. You are here now in our hearts.
