Messages of Condolence

I will remember Muriel always as being a real HOOT.

It was always a fun time when she would stop by at the mini mart in the Pines....she just lit up a room with that big spark in her.....We will treasure our memories of Muriel.....like when Nick took us for a drive out to Caroline and bought us these ice creams cones that where almost as big as Muriel....it was so hot out and they were melting but we managed not to lose a drop.

We both send our heartfelt sympathy to you Gary and Norma and family at this difficult time. It was a pleasure of knowing your Mom xo
