## Messages of Condolence

I wanted to send a message to Loreta's family to let you know how sad I am to learn of Loreta's death. I understand she has been suffering and feeling unwell for several months, and that must have been very difficult too. I knew Loreta from her time living at the Condo, across the hall from my Mom, Betty Casey. Thankfully they were able to enjoy a close friendship for the years they lived at the Condo. Your Mom was a very special lady, and will certainly be missed. My thoughts are with you at this sad time.

Wishing your family all the best, as you mourn the loss of Loreta. I feel privileged to have met Loreta, she was a gentle soul with amazing warmth. Her friendship with Mom (Betty Casey) was greatly appreciated. She will be dearly missed by everyone who had the pleasure of knowing her.

Sorry to hear to Loreta passed away. We thought of her often. But like always we think instead of acting. And we will miss her dearly..
