Messages of Condolence

Betty Ann, Holly and Heather, my heartfelt sympathy goes to you all. I had the pleasure of working with Perry at Supreme. He and I would chat most mornings and we had some of the best conversations.

My condolences to all of Perry's family and loved ones. He was my boss for less than a year, about a decade ago, and I will never forget his kindness. I'm a better person because of the things I learned from working with Perry. It's a sad day for the world to lose such a great person.
