Messages of Condolence

Our prayers and thoughts are with you and your family. Dan is not suffering anymore. That probably was very hard to go through this as a family. I would have found it hard. Everyone will be okay. I know God will help you get through. Love your Cuz Lorene

Deepest sympathy Juanita & family. May you find peace and comfort knowing that Dan is free from pain. May the good memories keep him close in thought. God Bless.

Juanita, my heart is absolutely broken for you, Dustin, Tanner, and the whole family. I honestly don't know what to say, because losing Dan feels like losing a part of my own family. Dan was never just a friend to me. He was my brother. We shared so many memories, laughs, conversations, and moments that I will carry with me for the rest of my life. You, Dustin, and Tanner are family to me, and that will never change. I have so much respect and admiration for the way Dan faced his cancer. He showed such incredible strength and perseverance through everything he was going through. I know there were difficult days, but the courage you both showed was something I will never forget. Juanita, I wish I could take away some of the pain you are all feeling right now. However, watching you and the strength you showed for your family was truly inspiring. I'm going to miss my brother more than words can say. I'll hold on to the memories, the laughs, and the good times, and I'll be forever grateful that Dan was part of my life. Rest easy, Danno, AKA(Bookem) you will never be forgotten. ☐
