## Messages of Condolence

Dear Will, after years of hearing stories of your mom and dad, I felt like I knew them personally. I met your mom a few times and could tell she was a strong, fun and energetic woman. Your stories about her and your dad, and later, just her, had me either crying or laughing hysterically. You were an absolutely amazing son who knew how lucky he got in the parent lottery and did all you could to help and love them like they had helped and loved you. Mom's are irreplaceable, but because of her, you are the kind and funny man you are today. (Hugs)
