

Daryl Bradley Werner

AUGUST 26, 2025

It is with a heavy heart that I share the news of Daryl's passing. After losing his leg to Diabetes Daryl gave it all that he had. In the end the Diabetes was still the one thing Daryl could not control. A long courageous battle.

Daryl loved to build and repair things. This is one of the talents I saw in him when I first met him.

Daryl was raised on the Springside farm, a dairy farmer life for him till he moved to Regina in 1986. He loved life and all his family with all his heart.

He worked in construction for 10 yrs and went on to Home Building Centre for the past 23 yrs. He loved his job and was a perfectionist.

Daryl met Denise and proposed to her 2 hours after they met. He was very devoted and committed to his wife. His love for his wife was passionate and never ending. This September 3 would have been their 37th. Wedding Anniversary.

Daryl loved animals, he was very attached to his dog Junior and cat Azlan.

He was always there to lend a helping hand when someone was in need. He was a very quiet, humble man who lived a very humble life.

He was very private and loved being at home at the end of a work day.

Daryl leaves behind his older Brother Glen and is now joined with his Parents and older brother Laurie and our daughter Samantha.

Daryl will be missed as he was so very much loved by all who knew him.

At the family's request there will be no service. Flowers gratefully declined, however for those wishing, donations may be made to the Canadian Diabetes Foundation, <https://www.diabetes.ca/contact-us/contact-us>

Messages of Condolence

So sorry for your loss, I know how close the two of you were. May your precious memories and deep love carry you through this difficult time and comfort you in times of sadness. He will be watching over you.

— Sheri Giesbrecht

Our deepest condolences to Denise and all of Daryl's family and friends. Daryl was a terrific person and a good friend and him and Denise were a match made in heaven. We just heard of his passing today, so Mike and I will spend time to remember the good times and good laughs we had with him. Daryl was Mike's first friend in Canada when he moved here. Rest in peace our friend. Chris and Mike Solomon
