Gina, our family would like to express our deepest condolences to your family on the loss of your mother Eva In November 2021! We are devastated by this news and very disappointed that we had to find out via the Internet and not from a personal phone call or even a text message of this news! When she came into our family 30+ years ago she was welcomed to as a mother, grandmother and new wife to my father-in-law Allen Dawkins deceased 2012 and his daughter Carol who passed away in 1996. Her love and caring for my children her Grandchildren Brad, Ryan, Brandi & their spouses, Great Granchildren Daniel, Aidan, Quinlan, Kira, Braedon, Hailey was unlimited. Always remembering them on birthdays and special occasions. It is sad that she was unable to meet her Great, Great, Grand Child Aspen. She always treated us with respect and loving care, and looked forward to numerous phone call conversations and visits with Barbie and myself. She will always be remembered with love and compassion by our family for the Special lady she was! May she Rest In Peace. We hope all is well with you and your family!

— Dale Bailey
